Spring 2026

REGIONAL TEAMS CHAMPIONSHIP

Columbia Sailing is proud to announce that we will be hosting the ISCA 2026 Regional Teams Championship Regatta! This event will bring together teams classified within the “Regional Tier” to compete for the best regional team in the nation. On the weekend of April 25, this regatta will take place at Larchmont Yacht Club, where sailors will race on the Long Island Sound in what promises to be an exciting championship weekend. Coming off of 6th place at the same event in 2023, the Lions look to raise their standing and show just how much they’ve improved.

Hosting this championship is a privilege for our program and reflects the hard work of our sailors, coaches, and executive board. We are extremely grateful to be given this opportunity and can't wait to welcome teams to our home waters for a fierce championship event!

THE ANNUAL FUNDRAISER

Save the date! Our annual fundraiser will be on April 25, 2026, from 6 pm to 9 pm at Larchmont Yacht Club! Current sailors, alumni, family, and friends are all invited to gather for an evening of connecting with the community and celebrating our sailors. We will enjoy live music, great food, and new merchandise, all while helping the team raise money to continue to compete at the highest level. Additionally, our guest speaker, Connor Cashel (CC '14), will be sharing his experiences staying involved in the sailing world after college, now working for the United States SailGP Team. Furthermore, the event will follow the first day of racing for the ISCA Regional Teams Championship, so come early if you want to see some racing in action!

Purchase your tickets [here](#). We hope to see you all there!
